CHAIRMAN'S MESSAGE

Vital Chemtech Limited

Dear Shareholders,

I hope you all and your family members are healthy and safe.

I am honoured to present to you our Annual Report for the year 2022-23, which encapsulates the significant steps we have taken as a Company. The previous year has been truly remarkable for us, marked by the successful initiation of our Initial Public Offering (IPO). This prime milestone signifies a crucial advancement in our endeavour of continuous growth and expansion. Beyond bolstering our financial stability, this remarkable accomplishment has also instilled in us a deep sense of motivation to uphold our promise of delivering exceptional value and trust to our esteemed stakeholders. With the unwavering backing of our investors and partners, we are thrilled to embark on this exciting new chapter of our journey, further building upon our esteemed legacy of excellence and solidifying our position as an industry leader.

Performance Review

Vital has evolved from a promoter-driven to a professional organisation, and our most important priority is to reward customers and shareholders. We are dedicated to creating economic value through quality innovations and ensuring returns through EPS. As you all know, previous year was a roller coaster year in terms of performance across Pharma, Agro, Dye and Chemicals segment. Even in these adverse circumstances, we have been able to achieve above par performance as compared to Industry segment standards. Also we have been able to achieve growth in terms of product volumes. This is reflected in our impressive financial indicators. The consolidated figures are as follows; revenues stood at 11674.33 lakhs as of 31st March 2023. EBITDA during the year 1260.82 lakhs in 2022-23. Our profit before tax is 1148.45 lakhs in 2022-23. PAT is 805.13 lakhs in 2022-23. We prudently utilised this to pay back significant debt and invested the surplus for the Company's future growth.

Value and Sustainability

Over the last 30 years, vital group has been synonymous with the following core values: 'integrity' at work, 'Innovation' in thought, 'Commitment' to all internal and external stakeholders with focus on driving 'Excellence' across the group's offerings and initiatives.

Vital group is committed to sustainable development and environmental awareness. They are the key to our continued success and to the long-term sustainability of our operations.

Expansion and Growth

I am further pleased to share with you that, we have acquired majority stake in Vital Alkoxides Private Limited wherein the plant is in final stages of completion. This project will help us further expand our product portfolio. Further, your Directors have recommended a dividend of Rs. 0.50/- per equity share for the year ended March 31, 2023 which is being placed for your approval.

Vote of thanks

On behalf of Vital group I would like to thank all the team members for their support and commitment towards the Company. I also express my gratitude to all customers, suppliers, associates and stakeholders for believing in the Company and supporting us in all the situations.

We will continue to create long-term, sustainable value for all by being consistent and flexible and I look forward to an exciting journey ahead, together.

ANNEXURE D**Management Discussion and Analysis Report**

The Management's views on the Company's Performance and outlook are discussed below:

GLOBAL ECONOMY:

Goods trade slowed in the first half of 2022 as supply chains continued to be affected by the lingering effects of the pandemic, including disruptions in major Asian ports and lockdowns in key cities in China. In addition, Russia's invasion of Ukraine and its repercussions have led to severe physical and logistical dislocations that have magnified pre-existing bottlenecks.

Russia and Ukraine account for a small share under 3 percent of global exports. However, many global industries rely on supplies of key commodities produced in the two countries, especially in Russia. Shortages and unprecedented increases in the prices of these inputs have rippled through global value chains (GVCs), leading to production standstills and elevated producer prices. At the same time, transport costs have increased, including in the wake of the war in Ukraine. Navigation and trade in the Black Sea have been materially disrupted, negatively affecting the transport of food and crude oil. Cargos and shipments held at Russian and Ukrainian ports have been rerouted through longer and more expensive routes.

Services trade has regained its pre-pandemic level, driven by a rebound in non-tourism services. While tourism activity has started to recover in advanced economies with high vaccination levels, it remains generally subdued in EMDEs, especially in tourism-reliant countries and in small states. The invasion is also weighing on tourism activity in countries that rely on tourists from Russia and Ukraine.

Global trade growth is anticipated to slow to 4 percent in 2022 as the war in Ukraine further disrupts global value chains, global activity gradually shifts back toward the less trade intensive services sector, and international mobility moves toward pre-pandemic levels only gradually. This is a substantial downward revision relative to previous forecasts, largely because of higher transport costs and significant global value chain disruptions associated with the war. Global trade growth is expected to moderate to an average of 4.1 percent in 2023-24 as global demand for tradable goods continues to decelerate

INDIAN ECONOMY:

After a impending second wave of COVID-19, India's retrieval is obtaining a push and GDP was anticipated to grow at 9.4% in FY 2021-22, before falling to 8.1% in FY2022-23, and 5% in FY 2023-24. However, the IMF was induce to slit India's GDP projection in January 2022 to 9% citing reasons of COVID-19 related virus spreads. Inflation continues to remain high and is expected to ease as supply chain disruptions are overcome. Financial markets remained strong and capital inflows continued to support the build-up in reserves. India's last mile vaccination drives coupled with its stringent policies helped weather out the third wave of COVID-19 effectively in the first half of 2022.

India's chemical industry is thriving due to rising demand and favourable government policies. India boasts an impressive position as the sixth-largest chemical producer globally and ranks third

in the Asian region.

The chemical industry plays a crucial role in India's economy, contributing a significant 7 percent to its GDP. It provides several building blocks and raw materials for various industries, including textiles, paper, paints, soap and detergents, pharmaceuticals, and agrochemicals.

The chemical industry in India is valued at a substantial US\$220 billion and experts predict that it could reach an astonishing US\$1 trillion by 2040.

By 2025, the demand for chemicals in India is expected to grow by 9 percent per annum, and the chemical industry is anticipated to contribute US\$383 billion to India's GDP by 2030. This increase is expected due to the rise in demand in the end-user segments for specialty chemicals and petrochemicals segment.

India will continue to be impacted by the downsides in the global economy, as the financial environment remains volatile on account of the war crisis in Europe. The macroeconomic policies remain unstable, as multiple sanctions are being levied on Russia by European and Western countries. India's economic and trade relations with Russia remain largely unimpacted, but it still poses a threat for the future, should the war escalate, and India is seen as having chosen sides.

GLOBAL CHEMICAL MARKET:

Global chemical growth moderated in 2022 due to lockdowns in China, supply chain bottlenecks, and disruptions caused by the Russian invasion of Ukraine. As a result, global chemical output grew by only 2.0% in 2022. In 2023, production is expected to expand at 2.9% amid rebound in Western Europe and the Asia-Pacific. The industry is focussing on meeting the growing global demand and enhancing sustainability through carbon reduction projects and advanced recycling and recovery. The biggest risk to the outlook is persistent inflation and continued increase in interest rates that could prolong and deepen the downturn, but other risks may include escalation of wars, financial instability, and supply chain disruptions.

The US chemical industry had a strong start in 2022, with output growing by 3.9%. However, in 2023, this growth is expected to marginally decline due to deceleration in end-use markets, a stronger dollar, and lower global growth. Many manufacturers have increased inventories of raw materials and products due to supply chain issues, which resulted in higher-than-normal inventories at the end of the year. US chemicals remain advantaged due to abundant domestic production of natural gas. Capital spending grew 9.0% to US\$ 33.5 billion in 2022 and is expected grow at 3.6% in 2023.

After declining by 3.2% in 2022, chemical production in Western Europe is expected to marginally grow at 0.8% in 2023. This is mainly due to an uncertain energy price outlook and depressed economic growth outlook. However, the silver lining is that natural gas prices have dropped to their pre-war levels and are expected to remain below the 2022 levels.

China's chemical industry is expected to recover after the lifting of COVID-19 restrictions. Sectors such as pharmaceuticals and agricultural chemicals are expected to lead the growth.

INDIAN CHEMICAL INDUSTRY:

The Indian chemical industry is the 6th largest producer of chemicals globally and 3rd in Asia. India ranks 14th in chemical products' exports and 8th in imports. The Indian chemical industry stood at US\$ 232 billion in 2022, and is expected to reach US\$ 304 billion by 2025, registering a CAGR of 9.3%. The cumulative FDI equity inflow in the chemical industry (excluding fertilisers) was US\$ 20.96 billion from April 2000 to December 2022. This constituted 3.35% of the total FDI inflow across sectors.

India is the 4th largest producer of agrochemicals globally and reached a value of almost US\$ 6 billion in the year 2022. The market is further expected to grow at a CAGR of 8.5% between 2023 and 2028, to reach a value of almost US\$ 9.82 billion by 2028. Agrochemicals sector exports accounted for US\$ 4.84 billion in CY 2022 with Y-o-Y growth of 28.7%, while imports were US\$ 1.69 billion with Y-o-Y growth of (2.39)%. Increased Government initiatives to assist farmers and rapid technological advancements are propelling the growth of the agrochemicals sector.

Speciality chemicals constitute 22% of the total chemicals and petrochemicals market in India. The sector is expected to reach US\$ 40 billion by 2025. A significant opportunity for the Indian chemical industry is the increasing demand for specialty chemicals globally. Another opportunity for the industry is the growing demand for green chemicals, which are eco-friendly and sustainable.

For CY 2022, the export value of chemicals and allied products was up by 5% year-on-year, to US\$ 63* billion, while imports were up 22% year-on-year, to US\$ 95.96* billion.

The Indian chemical and petrochemical sector is expected to attract an investment worth ` 8 lakh crore by 2025. The Union Budget 2023 is a growth-oriented, progressive and prudent budget with specific focus on stability, sustainable and inclusive development, announcing various policies which will generate demand for a variety of chemicals including construction chemicals, emission control catalyst, polyurethanes, TPU (Thermoplastic Polyurethane), bio-pesticides, etc. Further changes in BCD (Basic Custom Duty) rates of various goods like crude glycerin, denatured ethyl alcohol, acid grade fluorspar, specified chemicals for manufacture of pre-calcined ferrite powder, etc. would provide impetus to the domestic demand for these products. However, the Indian chemical sector, which has all the ingredients to become a global manufacturing hub, continues to await the much expected and anticipated production-linked incentive scheme, which has unfortunately not been announced in Budget 2023.

The Indian chemical industry has numerous opportunities, considering the supply chain disruption in China and the trade conflict among the US, Europe and China. Anti-pollution measures in China will also create opportunities for the Indian chemical industry in specific segments. The dedicated integrated manufacturing hubs under Petroleum, Chemicals and Petrochemicals Investment Regions (PCPIR) policy is expected to attract an investment of Rs 20 lakh crore (US\$ 276.46 billion) by 2035. Additionally, special incentives through PCPIRs or SEZs (Special Economic Zones) to encourage downstream units will enhance production and further boost the industry growth.

INDUSTRY REGULATIONS:

The market regulators, from time to time have introduced new regulations in order to protect the interest of retail investors. During the last financial year, a number of new regulations came into effect which will have a far reaching positive impact on the market especially from the point of view of retail investors.

- Alternative Risk Management Framework from Multi Commodity Exchange of India Limited (MCX)
- Upfront margin for cash segment
- Pledge-Repledge
- Peak margin for intraday trading

INDUSTRY TREND AND BUSINESS ANALYSIS:

The trend in the stock market remain volatile but the retail investors were reluctant to participate in secondary market because the market value of the shares have increased too much that they were avoiding purchase of well performed Company's shares keeping in mind that effect of the government policies are yet to be reflected on ground. Your Company endeavored to mobilize high net worth investors for secondary market and accordingly Company was able to be in profits.

Opportunities:

Over the next three years upto FY 26, ~US \$4.2 billion worth of technical are expected to go off-patent, increasing the export potential of India which has a strong presence in generics.

- Government initiatives to provide credit facilities to farmers at low interest rates and other cash incentives
- Increase in commodity prices expected to improve the farmer's per hectare expenditure and pave way to the industry growth
- New product launches, younger active ingredients and new technologies to boost the industry
- Climate change has resulted in development of various new crop damaging pest like black thrips
 - India's capability in low-cost manufacturing, a strong presence in generic crop protection segment, availability of technically trained manpower, seasonal domestic demand and unutilised capacity is expected to drive export growth in next 3 years at a CAGR of 14-15%.

Challenges:

- Unfavorable climatic conditions like erratic rainfall can disturb the spraying windows
- Increased supply of lower-priced agrochemicals from China
- Stringent government regulations on product development, registration, and application

BUSINESS OUTLOOK:

The Company is well prepared with the necessary levers to be a leading participant in the 'Golden Decade' of the Indian chemical industry. It is well poised for robust growth in the future with strong decisive actions to ensure that it remains at the forefront of its chosen chemical skill sets. Envisaging great potential in new chemical value chains, the Company is prepared to leverage its expertise to capitalise these emerging opportunities. The Company is set to explore new chemical value chains, add new chemistry like photochlorination, oxidation, etc. and expand its existing value chain. For this, the Company is looking to collaborate with world's leading chemical companies, strengthen existing partnerships, build new partnerships and explore contract manufacturing/CDMO opportunities.

While the long term growth opportunities remains intact, the sector is witnessing significant headwinds in current financial year ie FY 23-24. Inventory corrections across various global

markets for various end use industries has impacted the demand for various products. Further the recessionary trends and other prevailing global concerns has also impacted the demand for products across various discretionary end use industries. These decline in demands has created a demand supply gap, which would put pressure on margins over a short term period. We expect that these macro concerns to be prevalent over a short term period with its impact being significant in the first half of FY 23-24 and are predicting the improvement to be visible gradually and progressively from the second half of FY 23-24. We are closely monitoring the development and taking adequate steps to steer through these unprecented circumstances. We remain confident on our ability to weather this challenging times and come out stronger and better poised to continue on to our long term growth aspirations.

Vital Chemtech Limited remains confident in its ability to deliver on its long-term commitment led by its best-in-class manufacturing processes, continuous process enhancements, strong R&D focus and an unwavering commitment to innovation. The Company is investing on the R&D for products catering to various sunrise sectors with growing focus on sustainable and green solutions, battery chemicals, electronics chemicals, new age materials, high end polymers, etc. The roadmap looks encouraging and Vital Chemtech Limited confident to be able to capitalise the opportunities created through rapid shifts in global chemical supply chains. Focus on R&D led product offerings together with incremental gains from existing value chains will enable Vital Chemtech Limited to take advantage of the prevailing long term favourable industry trends and thereby create a stronger value proposition for all the stakeholders over a long term period.

STANDALONE FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF VITAL CHEMTECH LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying Financial Statements of "VITAL CHEMTECH LIMITED" (the Company) having CIN: U24299GJ2021PLC127538, which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss and the Statement of Cash Flows for the year ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Financial Statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Financial Statements under the provisions of the Act and the Rules made thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Financial Statements.

Key Audit Matters

Key audit matter is the matter that, in our professional judgement, was of most significance in our audit of the Financial Statements of the current period. This matter was addressed in the context of our audit of the Financial Statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on this matter. We have nothing to report in this regard.

Information Other than the Financial Statements and Auditor's Report Thereon

The Board of Directors of the Company is responsible for the other information. The other information comprises the information included in the operational highlights, Directors' Report and its annexure, Management Discussion and Analysis, Business Responsibility Report, Corporate Governance and Shareholder's information and performance trend, but does not include the consolidated Financial Statements, standalone Financial Statements and our Auditor's Report thereon. These reports are expected to be made available to us after the date of auditor's report.

Our opinion on the Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Board of Directors of the Company is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgements and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Financial Statements, the Management is responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they can reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of use of the going concern basis of accounting by the Management and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company to express an opinion on the Financial Statements.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Stand alone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work and (ii) to evaluate the effect of any identified misstatements in the Stand alone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Financial Statements of the current

period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter must not be communicated in our report because the adverse consequences of doing so will reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on March 31, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls with reference to standalone financial statements.

We have audited the internal financial controls over financial reporting of **VITAL CHEMTECH LIMITED** (the Company) as of March 31, 2023, in conjunction with our audit of the Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Control

The Management of the Company is responsible for establishing and maintaining internal financial controls with reference to standalone financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) issued by the Institute of Chartered Accountants of India (THE "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the policies of the Company, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls of the Company with reference to standalone financial statements over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements over financial reporting and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgement, including the assessment of the risks of material misstatement of the Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to standalone financial statements over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

The internal financial control over financial reporting of a company is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with the Generally Accepted Accounting Principles. Internal financial control with reference to standalone financial statements over financial reporting of a Company includes those policies and procedures that

- i) Pertain to the maintenance of records that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with the Generally Accepted Accounting Principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and
- iii) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the assets of the Company that can have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 (the Act) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made there under and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated financial statements.

Key Audit Matters

Key audit matter is the matter that, in our professional judgement, was of most significance in our audit of the Consolidated financial statements of the current period. This matter was addressed in the context of our audit of the Consolidated financial statements as a whole and in forming our opinion thereon and we do not provide a separate opinion on this matter. We have nothing to report in this regard.

Information Other than the Consolidated financial statements and Auditor's Report Thereon

The Board of Directors of the Company is responsible for the preparation of other information. The other information comprises the information included in the operational highlights, Directors' Report and its annexure, Management Discussion and Analysis, Business Responsibility Report, Corporate Governance and Shareholder's information and performance trend, but does not

include the consolidated financial statements and our Auditor's Report thereon. These reports are expected to be made available to us after the date of auditor's report.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated financial statements

The Board of Directors of the Company is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities, selection and application of appropriate accounting policies, making judgements and estimates that are reasonable and prudent, and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the Management is responsible for assessing the ability of the Company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated financial statements

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error and to issue an Auditor's Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they can reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Management.
- Conclude on the appropriateness of use of the going concern basis of accounting by the Management and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our Auditor's Report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's Report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company to express an opinion on the Consolidated financial statements.

Materiality is the magnitude of misstatements in the Consolidated financial statements that individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in **(i)** planning the scope of our audit work and in evaluating the results of our work and **(ii)** to evaluate the effect of any identified misstatements in the Consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those

matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our Auditor's Report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter must not be communicated in our report because the adverse consequences of doing so will reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Annexure- A To Independent Auditor's Report

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Vital Chemtech Limited of even date)

Report on the Internal Financial Controls with reference to Consolidated Financials Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the "Act")

We have audited the internal financial controls over financial reporting of **VITAL CHEMTECH LIMITED** (the Company) as of March 31, 2023, in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Control

The Management of the Company is responsible for establishing and maintaining internal financial controls with reference to consolidated financial statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the Guidance Note) issued by the Institute of Chartered Accountants of India (THE "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the policies of the Company, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls of the Company with reference to consolidated financial statements over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements over financial reporting and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness

exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the Auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to consolidated financial statements over financial reporting of the Company.

Meaning of Internal Financial Controls over Financial Reporting

The internal financial control over financial reporting of a company is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with the Generally Accepted Accounting Principles. Internal financial control with reference to consolidated financial statements over financial reporting of a Company includes those policies and procedures that

- i) Pertain to the maintenance of records that in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- ii) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with the Generally Accepted Accounting Principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of Management and Directors of the Company; and
- iii) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the assets of the Company that can have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Control over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to consolidated financial statements over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, adequate internal financial controls with reference to consolidated financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to consolidated financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “Guidance Note”).
